

AstraZeneca (Thailand) Ltd.

AstraZeneca Thailand has operated for almost 40 years and, over this time, have been committed to creating genuinely innovative medicines and improving access to them, including healthcare innovation and partner with healthcare providers to improve diagnosis and access to treatments. To achieve sustainable growth across the value chain, AstraZeneca has a bold global sustainability ambition with three strategic pillars; 1. Access to healthcare 2. Environmental protection and 3. Ethics and transparency. In this way, we are able to deliver the greatest benefit to patients, healthcare systems and societies.
