

PFIZER (THAILAND) LIMITED

At Pfizer, we apply science and our global resources to bring therapies to people that extend and significantly improve their lives. Our global portfolio includes medicines and vaccines as well as many of the world's best-known consumer health care products. Consistent with our responsibility as one of the world's premier innovative biopharmaceutical companies, we collaborate with health care providers, governments, and local communities to support and expand access to reliable, affordable health care around the world. For more than 170 years, Pfizer has worked to make a difference for all who rely on us.
