

Merit Medical

Merit Medical Systems, Inc. is a leading manufacturer and marketer of proprietary disposable medical devices used in interventional, diagnostic, and therapeutic procedures, particularly in cardiology, radiology, oncology, critical care and endoscopy.

OUR VISIONS is to be the most customer-focused company in healthcare. Each day we are determined to make a difference by understanding our customers' needs, and innovating and delivering a diverse range of products that improve the lives of people, families, and communities throughout the world.

OUR VALUES

We are engaged in building something special. We fundamentally believe that long-term value is only created for our patients, employees, shareholders, and communities when we are outward focused and determined to deliver an exceptional customer experience. When our focus is aligned with our customers' interests, we build loyalty, trust, and long-term lasting value for future generations.

WE SUPPORT IN EDUCATION

Merit Think Education™

Designed and taught by physicians, Merit Medical's immersive education courses include didactic presentations, taped or live cases, and hands-on training. We believe that a successful program provides an enjoyable education experience as well as the clinical support needed for you to implement your learning once you return to your practice
